

PARENT/GUARDIAN
WAIVER OF CLAIMS

The Parents Day Out (PDO) childcare program located at Broadway United Methodist Church (BUMC) is reopening beginning June 1, 2020. As a parent in need of childcare you are invited to enroll your child in that program. You may accept this invitation pursuant to the following provisions. If the following provisions are not acceptable you may reject this invitation and NOT allow your child to participate in said childcare program.

By accepting this invitation, you hereby acknowledge that there are risks to you and to your child of contracting the Covid-19 virus associated with participation in the PDO childcare program. While PDO will attempt to follow CDC Guidelines and is requiring all staff members to sign the attached guidelines, you acknowledge that PDO cannot guarantee compliance by all persons, at all times, just as we cannot eliminate the risks inherent with Covid-19. Therefore, in consideration of PDO accepting your child into its childcare program at this time, you do hereby WAIVE any and all potential claims against PDO and BUMC, as well as their employees, representatives, and volunteers that could arise from exposure to Covid-19 and do agree to release, remise, acquit, forever discharge, and indemnify said persons and entities from such claims.

I, _____, have fully read and understand all of the provisions of this
(Print Name)
invitation and waiver and on behalf of myself and my child, _____ do
(Print Child Name)
hereby accept said invitation and expressly waive any claims related to Covid-19 exposure as stated herein and specifically adopt the terms of the prior paragraph. I further warrant that I am authorized to execute this waiver on behalf of my child's other parent/guardian, and do execute this waiver in that capacity as well.

Signature of Parent

This _____ day of _____, 2020.
